Redevelopment of the Society - Meetings with smaller groups of Members

Dear Sir/Madam,

With reference to the Redevelopment of the Society, it has been decided to hold meetings with members in smaller groups so that various queries by Members can be addressed by the Redevelopment Sub-Committee. Either the Member or any one member of his family can attend these Meetings. Further, you will also recall that a questionnaire had been circulated to all of you which has to be submitted at these meetings. It may be noted that if you are not clear about any of the questions, they will be clarified at these meetings so that you can appropriately fill it up and submit to the Society.

The schedule of the meetings is given below and we look forward to your active participation at these meetings.

It may also be noted that a separate meeting on ZOOM Platform will be scheduled for the benefit of all outstation Members, date of which will be announced later.

In view of the pandemic, those attending the meetings must compulsorily wear masks and observe social distancing norms.
